Link Up 2013-2014

CARNEGIE HALL

**Join us! Learn how to play the recorder and discover how the
West Michigan Symphony Orchestra SINGS!**

Partner your school with the West Michigan Symphony Link Up program (a nationally recognized curriculum by Carnegie Hall) to bring music and melody to your classroom students in grades 3-5. Link Up is a yearlong curriculum for music classrooms focusing, this year, on how melodies work. Link Up draws on concert repertoire and culminates with students performing at The Frauenthal Theater in Muskegon.

Students learn soprano recorder, sing, compose, meet musicians and perform together at the WMS Link Up Concert

What do you receive:

- *Free Teacher Orientation Session in October 2013
- *Free Music Curriculum
 - student workbooks, teacher guide, online resources
- *Free Listening CD and DVD for Teachers
- *Free WMS Music Mentor in-school visits (professional WMS musicians)
- *Free interactive **WMS Children's Link Up Concert** at the
Frauenthal Theater, May 7, 2014
9:30am 11:00am 12:30pm

Students will learn to read music, identify orchestra instruments, learn about various composers and **PLAY** the recorder with the West Michigan Symphony

Soprano Recorders are required for the Link Up curriculum. Schools may supply their own or purchase through the WMS. Schools not able to supply recorders may apply for Recorder Assistance through the West Michigan Symphony. Please note this on your registration form.

Registration is required and is currently open!
